

Kestrels – Year			
Geographical Area	Autumn Topic: Vikings	Spring Topic: Living World	Summer Topic: The Black Death- History based
<b>Location and Place Knowledge</b>	<p>Name some of the main towns and cities in Yorkshire and Lancashire such as Huddersfield, Sheffield, Lancaster and Preston and locate them on a map of UK. Ask chn if they have relatives there/go uni in one of them towns. What do we know about these towns?</p> <p>Plan an invasion route from Scotland to London</p> <p>Name the counties that make up the home counties of London such as Sussex, Kent, and Wessex.</p>	<p>Know the difference between the British Isles, Great Britain and UK.</p> <p>Know the countries that make up the European Union.</p> <p>Locate and name some of main islands that surround the UK.</p> <p>Name and locate countries in the Americas Canada, Mexico, Latin America, Brazil etc.</p>	<p>Using a map of Europe mark out the places that the plague affected the masses</p> <p>Mark out on a world map the origin of such diseases</p>
<b>Human and Physical Geography</b>	<p>Locate Scandinavia on a map- discuss features of it. Land use, Climate etc.</p> <p>Understand why the Vikings chose to invade Britain because of the fertile land and better weather</p>	<p>Explain why people are attracted to live in cities such as Manchester. Discuss transport</p> <p>Explain why people may choose to live in a village rather than a city. Compare Manchester to Tockholes</p> <p>Suggest different ways that a locality could be changed and improved.</p> <p>Name up to six cities in the UK and locate them on a map.</p> <p>Look at Biomes and what they are. Look at the longitudinal parallels and identify the various biomes of Planet Earth. Identify on a globe. Locate on a map of the world</p> <p>Describe the varying features of different places in the Americas, such as the Grand Canyon, the Arizona desert, Rocky Mountains.</p> <p>Locate California and identify the chaparral biome</p>	
<b>Enquiry</b>	<p>Find the same place on a globe and in an atlas.</p> <p>Plan a journey to a place in England. Which is the best/quickest route</p>	<p>Carry out a survey to discover features of cities and villages.</p> <p>How do biomes differ? What would you find in these places? Create a comparison chart for these biomes to show results</p>	

	<p>Give accurate measurements between 2 given places within the UK. How long did it take to invade from ? to ?</p>	<p>What would you need for survival in these biomes?</p> <p>How do people contribute positively and negatively to the land around the canal?</p> <p>Accurately measure and collect information (e.g. rainfall, temperature, wind speed, noise levels etc.)</p> <p>How can humans preserve the Chaparral and its habitats?</p>	
<b>Fieldwork and Mapping</b>	<p>Use maps and globes to locate the equator, the Tropics of Cancer and Capricorn and the Greenwich Meridian</p> <p>Be able to distinguish between the Northern and Southern hemisphere on both a world map and a globe</p> <p>Know how to plan a journey within the UK, using a road map</p>	<p>Use appropriate symbols to represent different physical features on a map</p> <p>Virtual Trip using live webcams</p>	
<b>Cultural Capital links</b>	<p>Link knowledge to towns to relatives/friends who may have in the towns looked at</p>	<p>Locate the canal. Investigate the use of land around it.</p> <p>What kind of biome do we live in? Is it all the same or different? Visit a specialist habitat within the area</p>	
<b>Digimaps</b>	<p>Use the map software to plan and measure out the routes</p>	<p>Explain how a locality has changed over time with reference to human features.</p> <p>Locate the Tropic of Cancer and the Tropic of Capricorn.</p> <p>Use the software to see which places the Leeds/Liverpool canal runs through</p>	
<b>The Environment and Sustainability</b>	<p>What kind of factors decrease a settlement's value?</p> <p>How do we look after our environment?</p>	<p>Find different views about an environmental issue. To say what their view is.</p> <p>Explain how people are trying to manage their environment.</p> <p>Effects of plastic on aquatic biomes</p>	<p>What effect does medicine have on the environment</p> <p>How can we sanitise the air around us?</p> <p>Effects of pesticides to environment-pros and cons</p>
