

# Newsletter 19 – 29<sup>th</sup> January 2024

*Knowledge begins with respect for God (Proverbs 1:7)*

This half-term's value is 'Compassion' (Colossians 3:12)

## Compassion

This half-term's school value is compassion. In a recent assembly we discussed the meaning of compassion – seeing someone in need and doing something to help.

Two of our Year 2 children, Ella and Jumaanah, have been inspired by a television programme/appeal they watched at home to show compassion by raising money to help provide people with clean drinking water in Africa.

To do this, they will be selling juice and a biscuit at break time in the hall from Monday 5<sup>th</sup> February. For 20p, children will receive a drink and a biscuit. Different classes will be able to buy these on different days during the week commencing Monday 5<sup>th</sup> February as follows:

**Monday – Woodpeckers and Kingfishers**

**Tuesday – Swallows and Doves**

**Wednesday – Owls and Kestrels**

**Thursday – Hawks and Eagles**

**Friday – Robins and Falcons**

The girls have been busy designing posters and displaying them around school. They also said a few words at the end of our Achievement Assembly this Friday. It would be great if we could support the girls in their efforts to help people less fortunate than us.

## Parking

It is important for us as a school to be good neighbours to the people who live near us. Each school day they get inundated with cars, both morning and afternoon. If at all possible, please consider walking to school, especially if you live nearby. It's better for you and for the environment, as well as being cheaper!

Please ensure you park considerately and that you do not block driveways and entrances to cul-de-sacs. It is important that local residents can get on and off their drives at all times so that they can get to work or return from work without any problems. Please also be mindful of the need to avoid by double-parking to ensure that the emergency services can always get through. Thank you.

## Hawks' Class Assembly

A reminder that the Hawks' class will be leading our assembly this Wednesday, 31<sup>st</sup> January. Parents and carers of children in the Hawks' class are very welcome to come along. Assembly starts at 8.45am.

## Bring a Toy to School Day

We are supporting local charity HealHumanity's project 'Bring a Toy to School Day'. The aim is to provide children in hospital with toys to put a smile on their faces! Please see the poster below for more details, including what parents and carers could and should not send in. This is purely optional; please do not feel pressured into taking part.

## Online Safety Webinar

Please find below the link to access the parent/carers session I mentioned in last week's newsletter. It's taking place this **Wednesday 31st January 2024 – 9.30am – 10.15am**. Please note that this session is a repeat session (last delivered October 2023) so if you attended that session, you won't need to attend again.

It's a very long link!

You do not need to register, simply click on the link at the above time to access the session. **Cameras and voice/audio will be switched off for all attendees.** You can ask questions by typing in the Q&A box, but this will be explained during the session.

The event will be streamed using Microsoft Teams. You will be able to watch the live event in the Teams app—desktop (Windows or Mac) or mobile. If you don't have Teams you can access it via one of the following browsers – Google Chrome, Microsoft Edge or Firefox.

Best wishes

Julian Rogers
