This half-term's value is 'Courage' (Deuteronomy 31:6)

Online Safety Information Session

Last week I gave details about an online safety session for parents and carers which is taking place this Wednesday, 29th January, 9.30 – 10.15am. Here's the (very long) link you'll need to access the session:

Class Assemblies

A big thank you to our Falcons' class for their fantastic assembly on 'courage' last week. It was great to welcome along parents and carers of children in the Falcons' class to share in this special occasion.

The next class assembly will be taking place on the 12th February and will be led by the Hawks' class. Parents and carers of children in the Hawks' class are very welcome to come and join us. It starts at 8.40am.

Healthy Packed Lunches

We have noticed that some children's packed lunches are quite sugary and fat-heavy with lots of chocolate and crisps. It would be great if packed lunches could contain a sandwich, wrap or pasta, along with plenty of fresh fruit and vegetables. These foods will help your children to maintain concentration in the afternoons and are healthy for the teeth. On our school website there is a leaflet giving parents advice on what types of food to include in packed lunches. This leaflet is available under the blue 'Parents' tab.

IMO Activities for Children

Please see the poster below advertising some activities taking place on Saturdays at Audley and Queen's Park Children's Centre for children in our community.

Mental Health Advice Sessions

ELCAS (East Lancashire Child and Adolescent Services) are organising some mental health advice sessions during February 2025. The sessions are designed to provide valuable advice and resources to support the mental health wellbeing of young people in our community. Please see the poster below for further details.

Best wishes
